Subject: LADWP - Power Outage scheduled for August 5th starting at 5:00 pm

Good evening everyone,

I just received a notification from LADWP, that they will need to shut down the power to the building on Saturday, August 5th, starting at 5:00 pm. The outage on our property is necessary so that important maintenance on LADWP's equipment can be performed.

Please note that power will be shut off to the building between the hours of 5:00 PM and 8:00 AM, approximately. As such, we ask that you power down all computers and other electronic equipment before 3 PM on Saturday, August 5th.
Additionally, the parking lot will be closed since the power to the roll up gate will be off. There will be no parking personnel onsite after 5:00 pm on Saturday August 5th.

We realize that this can be inconvenient; however, it is mandated by the Los Angeles Department of Water & Power and must be completed. We kindly request that you plan for this power outage and schedule meetings, special events, etc... accordingly. Thank you in advance for your cooperation.

Please feel free to contact me at (213) 624-5085 or Omar at (213) 434-1832 should you have any questions or concerns.

Best regards,
